

## Silicone Encapsulated LED

### Super Bright - Low Energy

Water tight Silicon Encapsulated BA15 LED. Large on light with 220 Lumen output but soft on the eyes and measures only 17 x 45mm of space. 10-30VDC Equal to a 20W incandescent.

- Water tight Silicon Encapsulated BA15 LED.
- Large on light with 220 Lumen output but soft on the eyes and measures only 17 x 45mm of space.
- 10-30VDC
- Equal to a 20W incandescent.
- Multiple LEDs provide consistent output

#### Lighting Color Options:

- Cool White
- Warm White

#### Part Numbers:

**BA15S**  
LLB-22KC-21-00 (Cool White - 4000K, 2.5 Watt, 220 Lumen)  
LLB-22KW-21-00 (Warm White - 2700K, 2.5 Watt, 190 Lumen)

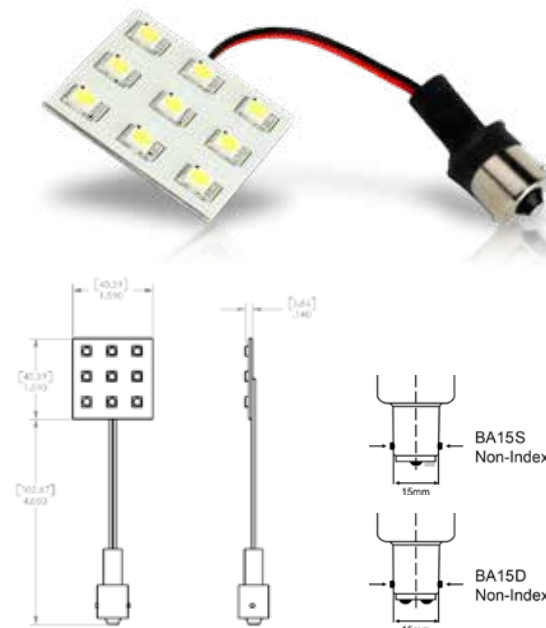

**BA15D**  
LLB-26KC-21-00 (Cool White - 4000K, 2.5 Watt, 220 Lumen)  
LLB-26KW-21-00 (Warm White - 2700K, 2.5 Watt, 190 Lumen)

## Bayonet 9 LED Light

### Light Where You Want It

The Bayonet Series High Power LEDs include built in Regulator and can be easily double side taped into place.

- Low energy compared to incandescents
- Super Bright
- Up to 50,000 Hours
- 10 - 30V DC / 12V AC
- Economical high output directional replacement

#### Lighting Color Options:

- Cool White
- Warm White
- Red

#### Part Numbers:

**BA15S**  
LLB-229C-21-00 (Cool White, 9 LED, 2 Watt, 169 Lumen)  
LLB-229R-21-00 (Red, 9 LED, 2 Watt)  
LLB-229W-21-00 (Warm White, 9 LED, 2 Watt, 149 Lumen)

**BA15D**  
LLB-269C-21-00 (Cool White, 9 LED, 2 Watt, 169 Lumen)  
LLB-269R-21-00 (Warm White, 9 LED, 2 Watt)  
LLB-269W-21-00 (Warm White, 9 LED, 2 Watt, 149 Lumen)

## Bayonet LED Bulb

### Super Bright - Low Energy

Looks and feels like a traditional incandescent bulb but uses only a fraction of the power. The Bayonet Series High Power LEDs all include built in Regulator.

- General purpose
- 360°, Low energy
- Up to 50,000 Hours
- 10 - 30VDC
- Equivalent to 15 Watt Halogen

#### Lighting Color Options:

- Cool White
- Warm White

#### Part Numbers:

**BA15S**  
LLB-22FC-21-00 (Cool White, 1 Watt, 105 Lumen)  
LLB-22FW-21-00 (Warm White, 1 Watt, 75 Lumen)

**BA15D**  
LLB-26FC-21-00 (Cool White, 1 Watt, 105 Lumen)  
LLB-26FW-21-00 (Warm White, 1 Watt, 75 Lumen)

## Elegant Edison Style LED

### Beautiful Warm White Light

Inspired by Thomas Edison's original carbon filament design, this LED bulb by Lunasea creates an iconic glow while saving you in energy. This antique style bulb has a warm white hue that creates a vibrant glow reminiscent of early 20th-century lighting. Truly enjoy its unique look and distinctive color.

- 60-Watt Equivalent
- 12VDC, 7 Watt
- Soft Warm White 2600K
- E26 Base

#### Lighting Color Options:

- Warm White

#### Part Numbers:

LLB-48FW-82-00 (Warm White, 800 Lumen)
