

HIT™ INFLATABLE WORK VEST #1 OVERALL CHOICE BY COMMERCIAL FISHERMEN

“25% of all fishing fatalities result from falling overboard and in some cases the inability to re-board the vessel. TSB investigations have shown that wearing a PFD increases the chance of surviving an emergency, including falling overboard.” – Transportation Safety Board of Canada – Marine Investigation Report

The take-away is clear: find a comfortable PFD and wear it on deck at all times.

At Mustang Survival, we developed the MD3157 Inflatable Life Jacket with one goal in mind: to improve the comfort and productivity of people working on or near the water. We worked closely with Transport Canada to develop new standards and approve the first and only TC-Approved Inflatable Life Jacket.

In a series entitled “PFDs that Work”, published by the National Institute of Occupational Safety and Health, commercial fishermen were asked to wear the PFDs for one month while working on deck to rate the comfort, mobility, durability and overall acceptability. We were proud to see that fishermen once again ranked the US equivalent of the MD3157 Inflatable Life Jacket as the #1 overall PFD.

HIT™ INFLATABLE LIFE JACKET HYDROSTATIC INFLATOR TECHNOLOGY

MD3157 (auto)

The HIT™ Inflatable Life Jacket (Hydrostatic Inflator Technology) is the first and only Transport Canada approved inflatable life jacket. Exclusive to Mustang Survival in North America, and made for the most severe marine environments, the HIT™ Inflatable Life Jacket will meet the challenges of the most demanding users.

FEATURES

- 1F auto hydrostatic inflator technology
- SecureZip™ closure
- Lightweight and comfortable design
- Glideskin® Comfort Collar™
- Provides 150 N (35 lbs) of buoyancy when inflated
- Cylinder is contained inside bladder to protect against corrosion
- Durable heavy duty polyurethane coated nylon
- Strobe light holder, safety whistle and SOLAS reflective tape on inflation cell

SIZE	Adult Universal Age: 16 yrs + Weight: 36.3 kg (80 lbs) + Chest: 76–132 cm (30–52")
COLOURS	 Orange
APPROVAL	TC Approved Life Jacket (CAN/CGSB-65.7-2007)
PATENTS	US Patent no. 6,832,415
RE-ARM KIT	MA7214
